Your lecture of last year on the "Role of the CIA in Counter-insurgency" was of special value and interest to the students and the staff and faculty of the Engineer School. Therefore, I should appreciate your providing us a similar presentation on this subject and have tentatively reserved the period 1100 - 1200 hours, 4 September 1963, for your use.

If you are able to visit us, I should like you to be my guest at a luncheon with selected students and members of our staff and faculty after your lecture.
